Vista Convention Services' liability shall be limited to the physical loss or damage to the specific article which is lost or damaged, and in any event, *Vista Convention Services'* maximum liability shall be limited to \$.30 per pound per article with a maximum liability of \$50.00 per item, or \$1,000.00 per shipment; whichever is less.

Vista Convention Services shall not be liable to any extent whatsoever for any actual, potential or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss or damage to an exhibitor's materials which may make it impossible or impractical to exhibit same.

The consignment or delivery of a shipment to *Vista Convention Services* by an exhibitor, or by any shipper to or on behalf of the exhibitor, shall be construed as an acceptance by such exhibitor (and/or other shipper) of the terms and conditions set forth.

Rates are based on incoming weight only. All weights are rounded off to the next 100 weight. Each shipment received is considered separately. Freight handling charges are the responsibility of the exhibitor.

Exhibitors are urged to carry all-risk floater insurance covering their materials against damage, loss, and all other hazards from the time shipment is made prior to the show until shipments are received back after the show. This can generally be done by adding "riders" to existing insurance policies, often at no additional cost.

Empty container labels will be available at the Service Desk. Affixing the labels is the sole responsibility of the exhibitor or his representative. *Vista* assumes no responsibility for removal of containers with old Empty labels, mislabeled, or valuables stored inside containers while containers are in storage.

Outbound shipping labels and bills of lading will be available at the Service Desk. Exhibitor or his/her representative must pack and label their exhibit material and turn in bill of lading for each shipment at the Service Desk before leaving the show. *Vista* will route all shipments unless a designated carrier has been assigned. If the designated carrier fails to pick up by the removal date of the show, *Vista* reserves the right to route exhibit material by an alternate carrier. As a result of re-routing or handling no liability will be assumed by *Vista*.

IMPORTANT FREIGHT INFORMATION

DEFINITION OF SPECIAL HANDLING:

“Shipments that are loaded in such a manner as to require additional labor to unload, sort, and deliver”.

Vista Convention Services uses the following definitions in assessing Special Handling surcharges for material handling:

- ⇒ **Ground load/unload**-vehicles that are not dock height preventing the use of loading docks, such as U-Hauls, flat bed trailers, double drops, etc. Situations where dock utilization is not possible will result in a Special Handling assessment.
- ⇒ **Side door load/unload**-shipments that cannot be accessed from the rear of the trailer.
- ⇒ **Constricted space load/unload**-trailers loaded "high and tight", shipments that are loaded in such a manner as to not be readily available (freight down one side of a trailer that must be bypassed to reach targeted freight).
- ⇒ **Designated piece load**-driver with tape measure who requires loading crew to bring multiple pieces of freight to rear of trailer to select next piece; having to unload and reload to fit, etc.
- ⇒ **Stacked shipments**-shipments loaded in such a manner as to require items to be removed to ground level for delivery to booth. Loose items stacked on top of crates and/or pallets constitute Special Handling.
- ⇒ **Mixed shipments**-multiple shipments delivered together without shipment integrity; pieces for separate shipments that are loaded mixed throughout the delivery vehicle, such as UPS, FedEx, USPS.
- ⇒ **Improper delivery receipts**-shipments that arrive without individual bills of lading, such as UPS, FedEx, USPS.

SHIPPING 101

Exhibiting at a tradeshow can be costly. When a company purchases a booth space, it is just the beginning of the expenses that typically include shipping freight, furniture rental, and material handling. The seasoned exhibitor can tell you that material handling, often referred to as "drayage", is sometimes the most costly item on the list. In many cases, the exhibitor is paying for surcharges he does not understand. By understanding what drayage is and how service contractors establish their rates, you will be able to save money by avoiding unnecessary charges. Outlined below are some of the most commonly asked questions about drayage.

WHAT IS DRAYAGE?

Simply stated, drayage is the moving of materials from point A to point B. Whether your materials are sent in advance to the service contractor's warehouse or directly to show site, they still need to get to your booth after the carrier drops them off. Paying for drayage entitles you to have your freight taken to your booth from the loading dock, empty containers stored during the show, empty containers returned to your booth at the close of the show, and your freight carried back to the loading dock and loaded onto the carrier at the conclusion of the show. Then you arrange for a carrier to pick up your exhibit materials for transport to the next destination. There is usually a 200 pound minimum per shipment charge for drayage.

CAN MATERIALS BE HAND CARRIED TO MY BOOTH?

In most major cities, union labor has exclusive rights to the loading dock. The total weight and size of the display plus the union regulations regarding drayage for that city will determine if items can be hand carried to avoid paying for drayage. However, if you think you can hand carry your display onto the show floor, it has to be brought in through the front entrance. To avoid any surprises or confusion, please check the union regulations in this Exhibitor Service Manual. If you hand carry your items, the empty containers may be stored during the show for a fee.

HOW ARE DRAYAGE RATES DETERMINED?

Since union labor is used to move freight, Vista Convention Services must set the rate based on the labor rate in that city. Drayage rates also reflect the cost of empty storage space and the overall cost to produce the tradeshow. Drayage rates will vary depending on move-in and move-out times.

HOW CAN I SAVE MY COMPANY MONEY?

Read your Exhibitor Service Manual and pay close attention to the shipping instructions. Be aware of any surcharges that may be imposed for special handling or late shipments. Please pay close attention to deadline dates. If warehouse shipments arrive too early or miss the deadline date, that means an additional surcharge. Vista Convention Services usually allows shipments to arrive at the advance warehouse up to 30 days from the first move-in date.

SHIP IN QUANTITY. Because service contractors usually enforce a 200 pound minimum per shipment, it is best to send your freight as one big shipment. We realize this is not always possible, but if you send 40 and 50 pound packages separately, you will be charged the minimum weight on each shipment. This expense can add up, but can be avoided with a little planning and organization. If possible, make sure your product is crated. Crated shipments are the easiest to unload, therefore, they incur the least drayage charge. Loose, pad wrapped and/or uncrated freight takes longer to unload and will be charged at higher rates. It may be worth the time and money to have crates built for your display. In addition, crates will help protect your materials during shipment.

SHOULD I SHIP TO THE ADVANCE WAREHOUSE OR SHOW SITE?

When possible, ship in advance to the warehouse. Even though the drayage charges are typically 25% higher, there are benefits. You can confirm receipt of your shipment with Vista Convention Services before the show, adding to your peace of mind. In addition, freight sent to the warehouse is unloaded prior to exhibitor move-in. Therefore, your freight will be in your booth upon your arrival. You can begin setting up your exhibit as soon as you arrive, which can save you time and labor during set-up. It is worth the added expense in order to reduce problems at show site.

SHIPPING INFORMATION

WHAT YOU SHOULD KNOW:

- *As an exhibitor, you are responsible for providing your carrier with proper delivery and pickup information for your materials, both in advance and at show site.
- *Please prepay all shipping charges. Vista Convention Services cannot accept or be responsible for collect shipments. All shipments must be accompanied by a bill of lading. Shipments received without receipts, freight bills or specified unit counts (UPS, Federal Express, personal vehicles, etc.) will be delivered to the exhibitor's booth without guarantee of piece count or condition. No liability will be assumed by Vista for such shipments. Shipments without certified weight documents will be estimated by Vista. This estimate will be binding on both parties and no adjustments will be made after the show closes.
- *Do not ship uncrated materials to the warehouse! Loose, uncrated or unskidded materials will be accepted at show site only. Uncrated shipments received at show site are charged at higher handling rates than crated, skidded or otherwise self-contained shipments.**
- *Separate mixed van shipments between crated and uncrated, and clearly identify the weights of each on the bill of lading. Otherwise, Vista Convention Services will invoice the entire load at the uncrated rate and will be unable to adjust charges later.
- *Select your carrier carefully. Shipments received on vehicles that cannot be unloaded at the dock are considered "special handling" and are charged at higher rates.
- *All shipments for the show received either in advance or at show site will be charged material handling by Vista Convention Services. Refer to the **MATERIAL HANDLING SERVICE AND RATES** form in this manual.
- *All material handling rates are roundtrip and are based on incoming weights only. Overtime charges may apply under some circumstances. Please refer to the **MATERIAL HANDLING SERVICE AND RATES** form in this manual.
- *If granted permission for early move-in (off-target move-in) by show management and Vista, the exhibitor is required to use Vista Convention Services' labor for booth installation.

MATERIAL HANDLING INCLUDES:

- *Storing your booth in our warehouse for up to 30 days in advance of the show. (*Advance shipments only*)
- *Delivering materials to your booth at show site.
- *Removing empty containers from your booth, storing them for the duration of the show, then returning them to your booth at close of show.
- *Moving packed and labeled materials from your booth to the dock area at close of show and reloading them on designated vehicles based on information provided on your show site bill of lading.

MATERIAL HANDLING DOES NOT INCLUDE:

- *Labor and/or equipment for uncrating, un-skidding, assembling, positioning, leveling, dismantling, re-crating and re-skidding machinery and/or equipment for exhibitors. Additional labor to accomplish these tasks may be ordered from the various labor order forms enclosed.
- *Scheduling any carrier for pick up or delivery of your materials, if other than the official show carrier(s).
